KEY FEATURES & BENEFITS

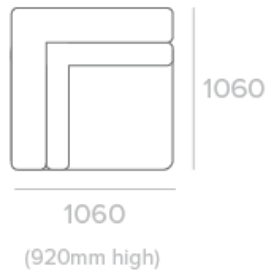

FRAME	FSC certified timber frame	A sturdy frame constructed with sustainably sourced timber provides a solid and long-lasting base to the suite
FOUNDATION	8-way hand-tied heavy gauge steel springs	8-way hand-tied springs enhance the durability of the lounge's foundation, and provide long-lasting support to the highest level. Even weight distribution removes any uncomfortable pressure points and maintains seat shape over time.
MEMORY FOAM CUSHIONS	Feather, fibre and memory foam fill cushions	The reversible seat and backrest cushions are filled with higher quality down feather fill, plus a memory foam layer to conform to your body as you relax
UPHOLSTERY	Stocked in MZF fabric	Stocked in cotton colour MZF fabric, the upholstery is easy to clean and water resistant to stay looking great for years to come
MODULAR DESIGN	Modular design can be arranged in several layout options	Create the perfect setup that fits your space, whether you want a sofa and loveseat or a spacious sectional the Alyssa modular lounge has you covered with two corners, two armless chairs and an ottoman
