FEATURES & BENEFITS

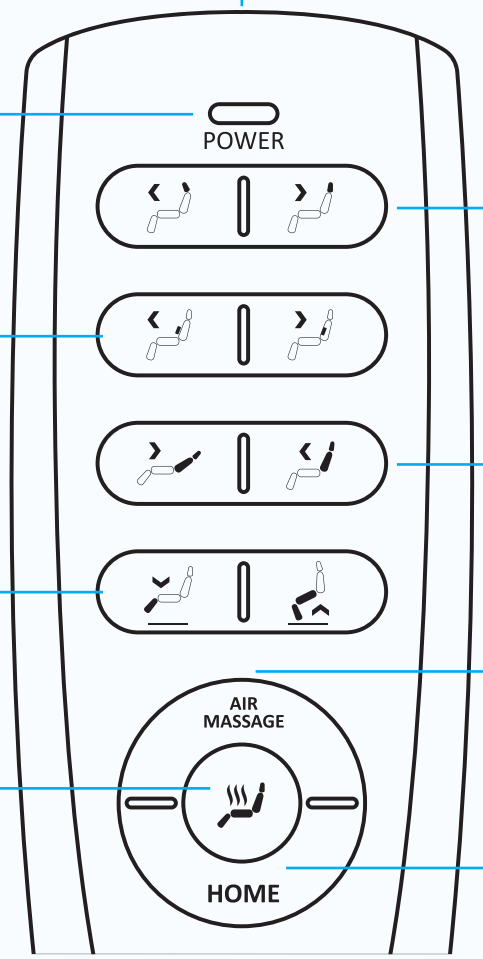

FRAME	FSC certified Pine and Plywood frame	A sturdy frame constructed with sustainably sourced timber provides a solid and long-lasting base to the suite
FOUNDATION	Heavy gauge steel Zig Zag springs	The foundation delivers long-lasting support & the first layer of comfort
FOAM	Foam & fibre	The high-density layered foam offers exceptional support, while the luxurious top layer of fibre adds an extra dimension of indulgent comfort
UPHOLSTERY	Stocked in Teramo fabric & made to order in further colours plus leather options	Teramo is a premium fabric with a soft, waxed finish and subtle sheen, designed for durability and everyday stain resistance. Light shading or marks from touch are normal and will soften and blend with use
MECHANISM	Tested up to 150kgs at 25,000 cycles	This robust recliner mechanism boasts an impressive 150kg weight-loading capacity (30kg higher than standard mechanisms), ensuring reliable performance for years to come
TRIPLE POWERED	Powered recliner, headrests and lumbar	Take comfort to a whole new level with recliners, headrests and lumbar support that all seamlessly adjust at the touch of a button, granting you the ultimate in customized comfort. Sit back, relax, and let technology tailor your comfort to your exact preferences
POWERED LIFT	Powered lift function	Powered lift allows for easy exit out of the chair, perfect for those with mobility challenges
MASSAGING BACKREST	Massaging airbags in the backrest	Transform your lounge into a luxurious oasis with built-in massage function in the backrest. Indulge in soothing massages that help to melt away stress and tension, promote relaxation and enhance your overall well-being with every sit
HEATED BACKREST	Heating pad in the seat backrest	Experience luxury with heated backrest, the gentle warmth helping to soothe sore muscles and provide comfort & relaxation
FOLD OUT SIDE ARM	Fold out side arm provides additional storage, cup holder and USB outlets	Fold out side arm with USB ports, cupholder and storage compartment can keep drinks nearby and store small items like remotes, cables & magazines – all in a tidy space-saving panel that folds away when not in use
USB OUTLETS	USB ports located in the fold out side arm	Convenient device charging at your fingertips eliminates the need to search for an outlet. Charge smartphones, tablets, and other small gadgets while comfortably seated. USB outlets located in the fold out side arm
