FEATURES & BENEFITS

FRAME FSC certified Plywood frame

A sturdy frame constructed with sustainably sourced plywood provides a solid and long-lasting base to the suite

FOUNDATION Heavy gauge steel Zig Zag springs

The foundation delivers long-lasting support & the first layer of comfort

FOAM Foam & fibre

The high-density layered foam offers exceptional support, while the luxurious top layer of fibre adds an extra dimension of indulgent comfort

UPHOLSTERY Stocked in Pelican fabric

Stocked in Gunmetal colour Pelican fabric, and can be made to order in a wide range of fabric colour options. Pelican fabric exceeds 50,000 Martindale rub tests for proven durability

MECHANISM Tested up to 200kgs at 25,000 cycles

This robust recliner mechanism boasts an impressive 200kg weight-loading capacity (80kg higher than standard mechanisms), ensuring reliable performance for years to come

POWERED LIFT Powered lift function

Powered lift allows for easy exit out of the chair, perfect for those with mobility challenges

TRIPLE POWERED Powered lay-flat recline, plus powered headrest and powered airbag lumbar adjustment

Elevate your comfort level with recline and headrest that adjust effortlessly at the touch of a button, offering the ultimate in customised comfort! Airbag adjustment in the lumbar allows for additional tuning of lower back support

MASSAGING BACKREST Massaging airbags in the backrest

Transform your lounge into a luxurious oasis with built-in massage function in the backrest. Indulge in soothing massages that help to melt away stress and tension, promote relaxation and enhance your overall well-being with every sit

HEATED BACKREST Heating pad in the seat backrest

Experience luxury with heated backrest, the gentle warmth helping to soothe sore muscles and provide comfort & relaxation, enhancing the massage experience

EXTENSION FOOTREST Footrest extends when reclining

The footrest extends further when reclining, allowing for a more comfortable experience for even the tallest of users
