Recommended minimum of 300mm space between backrest and wall

KEY FEATURES & BENEFITS

CONSTRUCTION	Powder coated iron frame and legs	The underlying frame is constructed from iron providing strength, stability and peace of mind with a 5 year structural warranty
UPHOLSTERY	PU Fabric Upholstery	Finished in sleek PU upholstery the chair is textured plus soft to touch and easy to keep clean
MASSAGE PROGRAMS	Twelve automatic massage programs plus manual controls	Twelve automatic massage programs plus optional manual controls mean the Eris has a mode to suit everyone from office workers to athletes
AIRBAGS	32 Airbags	Airbags at the shoulders, arms, calves and feet closely replicate the feel of an authentic hand massage
MASSAGE RAIL LENGTH	135cm SL track massage rail	The generous length massage rail easily accommodates taller users. The SL shape fits ergonomically with the human body - allowing the rollers to perform realistic massage techniques along the back, glutes & hamstrings
ZERO GRAVITY RECLINE	Zero gravity recline function	Three zero gravity (horizontal) recline positions enhance the massage experience by evenly distributing weight and creating a feeling of weightlessness
BLUETOOTH SPEAKERS	Bluetooth audio speaker system	Kick back with your favourite tunes while you enjoy a relaxing massage
FOOT ROLLER MASSAGE	Adjustable strength foot rollers	Foot rollers for the soles and heels combine with the airbags to provide a relaxing full foot massage and relieve the stress of a long day
HEATED SEAT	Infrared heated seat & legrest	Infrared heating element warms the seat back area, and leg area around the calves
ARMREST QUICK BUTTONS	Quick buttons in the armrest as well as a full remote control	Adjust your recline angle with convenient quick button controls in the armrest, as well as a full size remote control for fine tuning of settings
