KEY FEATURES & BENEFITS

FRAME	Powder coated aluminium	Powder coated aluminium in graphite colour provides a stable base with a modern industrial chic look
TABLE TOP	American oak timber veneer finish	The live edges of the wooden sections gives every piece of Kubu a one-of-a-kind uniqueness with warmth and charm. Sealed with a polyurethane lacquer for durability
SEAT FABRIC	Polyurethane seat covering	Black polyurethane seat covering with stitch detailing make for a rustic-look chair that fits perfectly with the industrial stylings of the dining table
NATURAL	Every piece is unique	Timber is a natural product and each Kubu piece will have its own unique characteristics
