## FEATURES & BENEFITS

| | | |
|---|---|---|
| **FRAME** | FSC certified Plywood frame | A sturdy frame constructed with sustainably sourced plywood provides a solid and long-lasting base to the suite |
| **FOUNDATION** | Heavy gauge steel Zig Zag springs | The foundation delivers long-lasting support & the first layer of comfort |
| **FOAM** | Foam & fibre | The high-density layered foam offers exceptional support, while the luxurious top layer of fibre adds an extra dimension of indulgent comfort |
| **UPHOLSTERY** | Stocked in Pelican fabric or Phoenix leather options | Stocked in Smoke or Putty coloured Pelican fabric - a premium polyester blend that looks and feels like leather. Also available in Phoenix leather Grey or Dark Grey options |
| **POWERED RECLINE** | Powered recline with wireless remote control | Elevate your comfort level with a reclining mechanism that adjust effortlessly at the touch of a button, offering the ultimate in customised comfort! |
| **S RAIL MASSAGE** | S-Rail massaging mechanism | The massaging mechanism moves up and down an S-shaped rail inside the backrest, to move naturally along the shape of the human spine and provide a fantastic massage from the comfort of your chair |
| **MASSAGE PROGRAMS** | 3 automatic massage programs with 3 intensity levels | Find your favourite massage with 3 automatic, 20-minute programs that can be adjusted to 3 different intensity levels to suit your preference. There is also a manual massage control to target specific areas |
| **HEATED SEAT** | Heated seat base | Experience an added touch of luxury with heated seats, the gentle warmth helps to soothe tired muscles and provides another level of comfort & relaxation. **Heat function automatically switches off after 20 minutes.** |
