FEATURES & BENEFITS

CONSTRUCTION	Powder coated iron frame and legs	The underlying frame is constructed from iron providing strength, stability and peace of mind with a 5 year structural warranty
UPHOLSTERY	PU Fabric Upholstery	Finished in sleek PU upholstery the chair is textured plus soft to touch and easy to keep clean
MASSAGE PROGRAMS	Eight automatic massage programs plus manual controls	Eight automatic massage programs plus optional manual controls mean the Nova has a mode to suit everyone from office workers to athletes
AIRBAGS	6 Airbags	Airbags located at the waist/hip area and the calf area provide gentle squeezing pressure
MASSAGE RAIL LENGTH	116cm SL track massage rail	The SL shaped massage rail fits ergonomically with the human body - allowing the rollers to perform realistic massage techniques along the backrest
ZERO GRAVITY RECLINE	Zero gravity recline function	Zero gravity (horizontal) recline position enhances the massage experience by evenly distributing weight and creating a feeling of weightlessness
BLUETOOTH SPEAKERS	Bluetooth audio speaker system	Kick back with your favourite tunes while you enjoy a relaxing massage
VOICE CONTROL	Hands-free voice operation	Control essential functions without needing to reach for the buttons by using the built in voice control commands
CALF MASSAGE	Built-in calf massager	The built-in calf massager applies squeezing pressure to the calf muscles, and can be rotated 180 degrees to stow away when not in use or not desired
HEATED SEAT	Infrared heated backrest	Infrared heating element warms the seat back area to increase bloodflow and enhance the massage experience
ARMREST QUICK BUTTONS	Quick buttons in the armrest	Adjust your recline angle with convenient quick button controls in the armrest
USB OUTLET	USB type-C outlet in the armrest	Keep your mobile phone close by and fully charged with the USB type-C outlet
