FEATURES & BENEFITS

FRAME	FSC certified Pine and Plywood frame	A sturdy frame constructed with sustainably sourced timber provides a solid and long-lasting base to the suite
FOUNDATION	Heavy gauge steel Zig Zag springs	The foundation delivers long-lasting support & the first layer of comfort
FOAM	Foam & fibre	The high-density layered foam offers exceptional support, while the luxurious top layer of fibre adds an extra dimension of indulgent comfort
UPHOLSTERY	Stocked in charcoal coloured Teramo fabric - made to order in a range of colours	Teramo is a premium fabric with a soft, waxed finish and subtle sheen, designed for durability and everyday stain resistance. Light shading or marks from touch are normal and will soften and blend with use
MECHANISM	Tested up to 150kgs at 25,000 cycles	This robust recliner mechanism boasts an impressive 150kg weight-loading capacity (30kg higher than standard mechanisms), ensuring reliable performance for years to come
BLUETOOTH AUDIO[1]	Built-in Bluetooth sound system with subwoofer and speakers in every seat	Enjoy your movies, music and games with high quality sound from behind the armrests on every seat. Simply connect via Bluetooth from your television, smartphone or tablet to enjoy. Control the audio levels with bass, treble and vibration adjustment dials in the armrest of each seat. 10W Speakers / 30W Subwoofer
IMMERSIVE VIBRATION	Seat-shaking bass enhances movies and music	An oscillating module connected to the springs in the seat base pulses & vibrates with the bass of your chosen audio source to immersive you further into the cinematic experience
DUAL POWERED	Powered headrest and recline	Elevate your comfort level with recliners and headrests that adjust effortlessly at the touch of a button, offering the ultimate in customized comfort! Power headrests provide additional head and neck support when in the reclined position so you can focus on what's in front of you, rather than the ceiling!
USB OUTLETS	USB ports located in the hand controller	Convenient device charging at your fingertips eliminates the need to search for an outlet. Charge smartphones, tablets, and other small gadgets while comfortably seated. USB ports located in the recliner control panels on the ends of the seats

[1]Maximum 5 connected seats per audio source. Consult your AV specialist on how this product can fit into your existing home theatre setup
The sound system is Bluetooth version 5.3 and supports codecs SBC, AAC, and LDHC
