

RENO

Smaller in size, but not in features. The Reno massage chair is more compact than our larger chairs yet still offers a great in-home massage experience.

KEY FEATURES & BENEFITS

CONSTRUCTION	Powder coated iron frame and legs	The underlying frame is constructed from iron providing strength, stability and peace of mind with a 5 year structural warranty
UPHOLSTERY	Polyurethane Upholstery	Finished in sleek polyurethane upholstery the chair is textured, soft to touch and easy to keep clean
MASSAGE PROGRAMS	Three automatic massage programs plus manual controls	Three automatic massage programs plus optional manual controls mean the Reno can be set for any massage preference
AIRBAGS	12 Airbags	4 airbags at the hip/waist area and 8 airbags in the calf area inflate to apply pressure to help relieve and recover sore or tired muscles
MASSAGE RAIL LENGTH	116cm SL track massage rail	The SL shape fits ergonomically with the human body - allowing the rollers to perform realistic massage techniques along the back, glutes & hamstrings
BLUETOOTH SPEAKERS	Bluetooth audio speaker system	Kick back with your favourite tunes while you enjoy a relaxing massage
ROTATING LEGREST	Optional calf massaging airbags	The legrest can be rotated 180° to hide the calf massagers away - giving you the option to include or exclude calves to your preference
ARMREST CONTROLLER	Armrest embedded control panel	Control all essential functions quickly and easily within arms reach, with the armrest embedded control panel
USB CHARGER	USB charging on armrest controller	The included USB charging port allows the user to charge their mobile phone or game controller while enjoying a relaxing massage
LEGREST HEATING	Legrest heating	Heating element warms the calves to enhance the leg massage experience
