UPHOLSTERED HEADBOARD

OR

TIMBER HEADBOARD

FEATURES & BENEFITS

FRAME	Ash timber with MDF white ash veneer	A sturdy frame constructed with sustainably sourced timber
BLUETOOTH SPEAKERS	Two Bluetooth speakers (Bed headboard)	Discrete speakers behind the headboard allow you to connect your device and enjoy all your favourite music, podcasts & audiobooks
WIRELESS CHARGING	Concealed wireless chargers (Bedside tables)	Concealed wireless chargers on the bedside table tops provide effortless charging of your compatible devices
USB OUTLETS	USB type A and type C (Bed frame)	USB outlets on either side of the bed frame allow for additional device charging versatility without the hassle of powerboards and powerbricks
LED LIGHTING	LED lighting (Bed frame, headboard, and dresser mirror)	Subtle LED lighting accents under the tiered headboard layers with sensor lights underneath the bed frame. Dresser mirror has an LED lit inside edge around mirror
SOFT CLOSE DRAWERS	Soft closing drawers (Bedside, tallboy, dresser)	Quieter and safer operation ensures your drawers close neatly, protecting your furniture and belongings
