KEY FEATURES & BENEFITS

FRAME	FSC certified Pine and Plywood frame	A sturdy frame constructed with sustainably sourced timber provides a solid and long-lasting base to the suite
FOUNDATION	Heavy gauge steel Zig Zag springs	The foundation delivers long-lasting support & the first layer of comfort
FOAM	Premium high-density D28 Polyurethane foam topped with a Dacron layer	Layered high & low density foam delivers seating that lasts without compromising on comfort
MECHANISM	Tested up to 150kgs at 25,000 cycles	Warranted for use up to 150kgs, this robust recliner mechanism has been crafted to last - that's 30kg more weight-loading than standard mechanisms!
POWER	Powered recliner and headrest	Recliners and headrests are adjustable at the touch of a button - the ultimate for customised comfort!
DEVICE CHARGING	USB ports	Convenient USB ports located in the storage consoles
UPHOLSTERY	Stocked in Bucksuede fabric (polypropylene suede)	Available in ash grey coloured Bucksuede fabric
LIGHTING	Base lighting and additional reading lights	LED base lighting provides a unique underglow in 7 adjustable colours, and additional reading lights in the folding headrests provide extra visibility for reading and relaxing on the suite
STORAGE	Cup holders and folding storage consoles	Cup holders on all armrests plus folding consoles that provide additional storage and access to USB charger
